

Are you **TIRED** of asking family & friends to purchase items they don't want or need?

**Sabino High School PTSA
Annual Non-Event Fundraiser (NEF)
Is the PERFECT solution!**

The NEF Grant Program funds requests from teachers and staff for items such as needed supplies to keep the campus updated & maintained, provides professional development seminars, Hot-Math computer programs, supplies to support academic departments, new software to support academic curriculum, library books, registration for academic competitions, on-line databases to support Social Studies courses and many more items which benefit every student and all of the Sabino High School Community. By making a one-time donation instead of asking your student to sell product, we can achieve all these goals and more!

Just \$5 from each family would be enough to gift our students & staff with over \$5,000 for these programs!

Please consider donating by completing the form below or going online to make your tax-deductible donation. Thank you for supporting our Sabino Sabercats & Staff!

WHAT ELSE DOES YOUR SABINO PTSA DO?
